

INTERNATIONAL SCHOOL OF RIGA

Tuesday, March 3rd

IMPORTANT CORONAVIRUS UPDATE INTERNATIONAL SCHOOL OF RIGA

Good evening everyone.

As many of you will have witnessed already, Latvia's Health Ministry and Center for Disease Prevention and Control (SPKC) announced this evening that the first positive test for the COVID-19 coronavirus has been confirmed in the country.

Although disappointing, ISR considers the risk to our community as being low/moderate. Therefore, unless additional information is published, school will resume tomorrow continuing with the same additional safety measures previously communicated.

We continue to follow the guidance from the State Medical Emergency Commission, who implemented special precautionary measures for any students that have travelled to any of the countries/regions listed below. Said students are to stay at home and return to school only when they have been granted a clearance certificate from their family doctor.

- The regions of Lombardy, Veneto, Emilia-Romagna, Piedmont, Italy
- Japan
- Singapore
- South Korea
- Iran
- China

Kind regards,

Craig Williamson | Director
