- February 16, 2021
This was a regular Council session.
- February 23, 2021
This was a regular Council session.

The School Council together with Director SK, Business Officer IA, and Secretary ZPP held three sessions during the month of February over Zoom. All committees and the Marketing Task Force continue to meet in earnest.

The 02-02-2021 Meeting covered issues related to Marketing, Finance, and Governance. The Governance Committee proposed the new School Council Handbook, which was approved by the committee. The Marketing Task Force shared its progress on embassy outreach. The Director shared the draft of the Academic Calendar of the school year 2021 - 2022. Lastly, the School Council determined the AGM will be organised on the 30th March.

During the 16-02-2021 Meeting, a range of items were discussed, mostly relating to Marketing, Finance, Governance, and Child Protection. The Governance Committee led an effort to amend a portion of the School Council Handbook. The amendments received unanimous approval. Marketing introduced the new marketing campaign, which aims to help ISR connect with new students interested in the International Baccalaureate Diploma Programme. The Child Protection Committee discussed all the great work ISR is doing with community partners, like the American Embassy, to enhance security and wellness within the ISR community. The School Council then set a date for the **'ISR Facilities Meeting with the Community' for 9 March at 6pm - 8pm.**

The 23-02-2021 meeting addressed preparation for the Facilities Meeting with the Community planned for March 9th and also covered updates from the Finance Committee. Almost the entire meeting was spent preparing for the 'ISR Facilities Meeting with the Community'. The School Council hopes that your family will join us for a very informative evening.
