

INTERNATIONAL SCHOOL OF RIGA

Summary for School Council meetings in December, 2021

On Tuesday, December 7th, 2021 a regular School Council meeting took place which was dedicated to Facilities Committee update and Preparation for EGM on December 14. Finance and Facilities Committees inform in updates regarding the new Campus project. Active work has been done by the architect company MADE with the new proposal of Campus design. There have been various proposals for school layout; outdoor solutions for parking, access, and schoolyard considering normative regulations and providing construction solutions. First proposals for ISR zoning and layout designs done by MADE architects are presented. As in regards to preparation for EGM, SC members discuss the structure of the final presentations to be shown to the Community on EGM on December 14. In the section related to the New Campus update, it is planned to include the following content: Key information (Salient Points, Essential Information, Particulars) presented by Shane Kells; New Campus project progress since June 17th, 2021; Project timeline as well as the Next steps leading to the next Meeting with the Association members.
