

INTERNATIONAL SCHOOL OF RIGA

Summary for School Council meetings in October, 2022

On October 10th, 2022, the only open meeting of the month took place where members were discussing ongoing matters related to the school. Meeting started with Nils Konstantinovs. NK explains the importance of the psycho emotional well-being of students and how it has declined significantly during the years of the pandemic. It is important to invest effort from the School to change this because it directly impacts the ability to study. NK explains the three-tier model from the Center of Developing Child in Harvard University and how NK will approach the counseling of students in ISR.

Amanda Romey presents a brief teacher appraisal/evaluation process overview. Teacher appraisal has dual purposes; improvement and accountability. AR gives an overview of the Marzano Instructional Framework Aligned to Washington State Teacher Evaluation Criteria. Additionally, SK talks about how ISR develops rigor.

SC members proceed to discuss the approach for the communication plan regarding resignation of the Director with relevant stakeholders that needs to be discussed and agreed upon.

As for the Facilities Committee, HK informs that a meeting was held with Latio and Signet bank for an opportunity for building the project. MP informs of the meeting with Preses nams.
