

WE ARE HIRING

Librarian

The IB MYP & DP Librarian promotes literacy, love of reading, and inquiry through a collaborative, inclusive library aligned with IB frameworks.

Responsibilities:

- Plan and implement a comprehensive school library program;
- Coordinate and manage the library budget and procure print, digital, and multimedia resources;
- Teach students how to work with information, including evaluating sources and using references correctly;
- Develop and maintain partnerships with local and international libraries and cultural institutions;
- Curate and promote a balanced, diverse, and inclusive library collection that fosters international-mindedness and reflects the global nature of the IB.

Qualifications:

- Relevant education;
- Understanding of inclusive environments;
- Passion, a strong sense of responsibility, and an interest in working with children;
- Ability to handle unexpected situations quickly and effectively;
- **Friendly, proactive, and solution-oriented** approach.

Benefits:

- International work environment with a supportive team;
- Competitive salary;
- Comprehensive health insurance;
- Additional paid sick days and personal days;
- Professional development budget;
- Remote work during all school holidays.
